# Amigos' Impact

Mayfair Community Meeting, discussing the future of Si Se Puede Mayfair

**Direct Services to Our Community:** Amigos de Guadalupe supported nearly 50,000 people last year, creating lasting change in their family's lives.

**Standing in Solidarity with Immigrants:** Amid rising fears, we provide vital legal services and protect our community from deportation threats through the Rapid Response Network.

**Ending Family Homelessness:** 379 Amigos families found permanent homes last year, and 798 families received rental assistance to stay housed in Silicon Valley.

**Si Se Puede Mayfair - Ending Poverty:** The Si Se Puede Mayfair initiative is building momentum to empower families to break free from poverty and has visited 3,300 homes in Mayfair to build a strong base of support. Join the movement!

**Supporting Education:** Our programs help unhoused children and first-generation college students succeed, building brighter futures for families and communities.

**Centering Community & Fighting for Justice:** We advocate for a just world by connecting with the community, organizing, and fighting for fairness and social justice.

**Honoring the Cesar Chavez Family Home:** The Chavez Home has been protected as a sacred space for organizing, healing, and preserving its legacy. Si Se Puede!

**On the Move:** In Spring 2025, we'll move into a new space at 1860 Alum Rock Ave in a 100% affordable housing development near our main office.

"My message is to never stop searching for opportunities, even in your lowest moments, doors will open, and it is up to you to seize those opportunities. Believe in yourself and that anything you set your mind to is possible as long as you have faith and stay committed to your goals. Thank you, Amigos de Guadalupe, for believing in me and supporting my education."

-Jesus (Scholarship Recipient)

# More Community Impact

*"Sometimes all we need is a push to keep going; with resilience and determination, it is never too late to start again."*

The Castillo family escaped violence in Colombia and faced many challenges in the U.S. But with the help of Amigos de Guadalupe, they found safety and support. They received shelter, education for their daughters, immigration services, and case management. The father now works full-time, the parents are learning English, and their daughters are succeeding in school.

## Relentless Compassion and Radical Hospitality

Amigos de Guadalupe has remained at the forefront in defending our rights as human beings and immigrants since before the beginning of the current Administration, but now more so than ever. We are steadfast in our mission to spread hope amidst fear, provide direction in times of uncertainty, and stand relentlessly against injustice and oppression.

**"Despite the fear that they want us to feel, we'll walk together and change the fear into love and justice."**

Organizing Manager, Amigos de Guadalupe
